

IFIS-Online-Colloquium

The Institute for Integral Studies invites you to the **IFIS Online Colloquium n° 23**:

Time:	Wednesday, April 17th, 2019 , at 20.00-22.00 h , Zoom meeting.
Presenter:	Dr. Daniel Görtz , <i>Metamoderna</i>
Topic:	Metamodernism and integral politics

Details

Metamodernism is a) a cultural phase or current that some observers have claimed comes after post-modernism, b) a developmental stage in people's thinking and values, and c) a philosophy and view of the world. Political metamodernism draws some conclusions from these three dimensions and attempts to present pathways ahead in terms of political projects. In relation to integralism, one could say that metamodernism tries to offer a secularized, politicized and somewhat updated version of integralism.

Short bio of the presenter

Daniel P. Görtz is a Swedish sociologist and "theory artist". He holds a PhD in sociology from the university of Lund, based on an ethnographic study of ethnicity's role in the Swedish police. Daniel currently lives and works as a writer who seeks to turn social theory into an art form. He is co-founder of the think-tank *Metamoderna* and one of the key influences of the Swedish political party *The Initiative* which started in Stockholm in 2017.

Note: The Colloquium will be held in English.

If you wish to participate, please register with us by April 14th, 2019 at info@ifis-freiburg.de.

Registered participants will receive the Zoom invite upon registration.

More info on the IFIS Online Colloquium:

The main **intent of our Colloquium** – in line with [IFIS' general mission and purpose](#) – is to help connect interested integrally oriented researchers and practitioners by offering them a forum to exchange experiences around innovative approaches to complex social challenges. The colloquium is designed to strengthen the dialog and connection between IFIS' members and friends, mostly spread out in different countries and even continents. We also hope to attract new colleagues to join us and be part of IFIS' community of [integral research and inquiry](#).
